CORONAVIRUS

Coronavirus is affecting all of our lives. It affects the way we can do things at Pawsitive Vet Care. For the latest information, please visit bit.ly/pawsitivecorona

PETSAPP

While visits are restricted, we are still able to do remote consultations via PetsApp so if you haven't downloaded the app yet, please can I encourage you to do so. Existing clients should have had an invitation, but if you have not, please let me know and I will get one sent to you.

VACCINATIONS

At the time of writing, we are unable to carry out routine health checks and vaccinations, including first vaccinations for puppies and kittens. This does increase the risk of these pets picking up some nasty diseases. For further information as to how to protect your puppy, please watch our presentation on YouTube bit.ly/puppyvacc

NATIONAL PET MONTH

The 1st April to the 10th May is National Pet Month, a chance to celebrate our pets, promote responsible ownership and raise money for animal charities around the UK.

Please follow our social media channels on Facebook, Twitter, Instagram and LinkedIn @VetPawsitive for more content throughout the month and share with your friends and family.

Follow the hashtag #NPMonline

GRIEF

Losing a pet is always hard, but the current situation can make it worse, particularly if you live alone. The Blue Cross run a Pet Bereavement Support Service which provides telephone and email support for anyone who is struggling. They can be contacted on 0800 096 6606

HOPE FOR THE FUTURE

We are here to help to support you and your pets during the current crisis. If you have any concerns, please do not hesitate to contact us. We really appreciate your continued support as well and look forward to getting back to normal in hopefully the not too distant future!
